Ily a un léger effet de zoom avant sur les shurikens just après le chargement de la page. Par ailleurs un effet de profondeur (parallax) fait défiler les shurikens à une vitesse plus lente que le fond de la page

You fight like a younger man, there's nothing held back. It's admirable, but mistaken.

I can't do that as Bruce Wayne... as a man. I'm flesh and blood. I can be ignored, destroyed. But as a symbol, I can be incorruptible, I can be everlasting.

QUI SOMMES NOUS

A propos

Ooh, you think darkness is your ally? You merely adopted the dark, I was born in it. Molded by it. I didn't see the light until I was already a man. By then there was nothing to be but blinded.

You have inspired good. But you spat in the faces of Gotham's criminals. Didn't you think there might be casualties? Things always get worse before they get better.

Compte utilisateur

On peut imaginer – dans la suite du développement – de faire défiler aléatoirement des noms tant que le champ n'a pas été rempli par l'utilisateur. Ca rappellera une fois encore que les administrateurs derrière le site sont avant tout des fans

The screenshot shows a user profile page with a header featuring a manga-style illustration of a city scene with mountains in the background. The title 'Taka corp | Elrich' is at the top left. On the right, the name 'BEN RICHEBOIS' is displayed above a large, empty circular placeholder for a profile picture, which has a red border.
